STONE-COLD HEART

A gargoyle betrayed by his soldiers...

After centuries of stone-cold death, Garrett discovers his legion has deserted him. Without their help, he'll succumb to eternal sleep once more unless he can trick the woman who woke him into trusting him with her soul.

A combat veteran scarred inside and out...

Her last night in Afghanistan, Raquel Guerrero's team fell victim to a suicide bomber, killing everyone but her. Now, despite her determination to never again let anyone close, her sense of duty compels her to help an

endangered warrior survive.

Trust isn't in their vocabularies...

A tentative truce frees them to investigate his regiment's abandonment—and unleashes passionate temptations. But when the truth is uncovered, Garrett and Raquel's fragile bond—and the healing power of love—might be the only thing that keeps them alive.

JAMI GOLD — AWARD-WINNING AUTHOR

After testing whether gargoyles caught in stone-death were ticklish, Jami Gold moved to Arizona and decided to become a writer, where she could put her talent for making up stuff to good use, including winning the **2015 National Readers' Choice Award** in Paranormal Romance for her novel *Ironclad Devotion*. Fortunately, her muse, an arrogant male who delights in causing her to sound as insane as possible, rewards her with unique and rich story ideas.

Fueled by chocolate, she writes paranormal romance and urban fantasy tales that range from dark to humorous, but one thing remains the same: Normal need not apply. Just ask her family—and zombie cat.
